

Cycling Merit Badge Ride #1

September 28, 2008

Be ready to ride at the Floyd Road Trailhead 2:00 PM. If you need your bike inspected or minor adjustments made, I will be there at 1:30 PM. We will leave on the ride promptly at 2:00 PM. Remember, "early is on time, on time is late".

We will return to Floyd Road no later than 4:30 PM. If we make better time than expected, we will call all parents while on route to arrange an earlier pickup time.

The major landmark for the Floyd Road Trailhead is the Walmart at the intersection of Floyd Road and East-West Connector.

We will gather at the end of the parking lot farthest away from the Silver Comet Depot.

All bicycles must meet BSA safety standards.

Helmets are required.

Water is required.

Close toe shoes are required.

A tube that fits your tires is required.

Your parents or a pre-arranged alternate must pick you up promptly.
