Parents and Scouts ::::::: Now that cooler weather is finally here, PLEASE take the time to check your jacket pockets for pocket knives ! Of course pocket knives are OK for troop campouts, but they are not something that needs to be in a jacket pocket that is grabbed at the last minute as your leave the house on a chilly morning. Because of the zero tolerance rules, the scout could be suspended or expelled from school ! Please take the time to be sure the knives, etc, are kept with the camping gear !!!!!

Does your patrol have a patrol website?????

See Tim S. or Austin C. to get it started.....

Get your patrol information out there !!!!
